LAW & POLICY RESEARCH:

National Center for State Courts, Williamsburg, Virginia

Research Intern September 2011 – Present
Examined the role judicial campaign oversight committees play in state court elections and the impact an increasingly politicized judicial election process is having on the judiciary and researched the screening procedures of drug courts.

Peter A. Alces, William & Mary, Williamsburg, Virginia

Research Assistant May 2011 – August 2011
Charted the relationship between contemporary neurolegal philosophy, neuroscience, and contract law for Alces' new book and sifted through case law about fraud to update the *Law of Fraudulent Transactions*.

Mosakowski Institute for Public Enterprise, Clark University, Worcester, Massachusetts

Researcher & Analyst October 2007 – May 2010
Mined statistical data from Massachusetts' schools to discover which socioeconomic elements contribute to the success of "outlier" schools and mapped the development of climate change politics in the United States.

PUBLIC SERVICE:

Paul Hodes for Senate, Manchester, New Hampshire

New Media Intern

May 2010 – August 2010

Helped develop, coordinate, and implement the campaign's internet strategy, focusing on voter-outreach via new media technologies.

Office of Senator John Kerry, Washington, District of Columbia

Intern

July 2009 – August 2009

Provided punctilious research to staffers on a wide variety of subjects, most notably Supreme Court Nominee Sonia Sotomayor, and assisted in designing practical solutions to a variety of problems with the health care legislation, helping secure its eventual passage.

Office of Congressman Jim McGovern, Washington, District of Columbia

Intern

May 2008 – July 2008

Functioned as the face of the Congressional Office while assisting with clerical work and conducting issue-based research for staffers, most notably on hunger issues.

Gerry Connolly for Congress, Fairfax, Virginia

Canvasser

May 2008 – June 2008

Knocked on thousands of doors and called hundreds of voters to market Gerry Connolly as the best candidate to the Democratic Primary voters of Virginia's 11th Congressional District.

BUSINESS & INTERNATIONAL WORK:

Information Technology Services, Clark University, Worcester, Massachusetts

Desktop Support Technician

May 2008 – May 2010

Troubleshoot general technical problems and provided software-specific help for both Windows and Mac Operating Systems, typically dealing with malicious software and driver issues.

Antiochia ad Cragum Archaeological Research Project, Gazipasa, Turkey

Archaeological Draftsman

July 2008 – August 2008

Crafted detailed drawings of the core architectural components of an ancient Roman temple, marble blocks, in order to help the lead archaeologist reconstruct the building.

Natch's Carnivorous Plant & Orchid Nursery, Ponte Vedra Beach, Florida

Sole Proprietorship

January 2004 – August 2007

Grew and imported carnivorous plants and orchids from around the world. Designed and used an internet platform to sell and trade carnivorous plants and orchids in the United States.
